

*"AAUW advances gender equity for women and girls through research, education, and advocacy."*

## Who we are...

The Saint Louis Branch of AAUW supports the broad goals and actions of AAUW by holding public outreach events, engaging in political action, collaborating with local organizations and educational institutions regarding AAUW topics, and by supporting area young women and girls directly. We promote a "You Can Do It" approach. We are one of five branches in the Saint Louis, MO, area that comprise the AAUW Metro Saint Louis Interbranch Council (IBC).

## Navigating the Gender Pay Gap: Strategies to Negotiate Your Best Career Opportunities

A Workshop Presentation at St. Louis College of Pharmacy,  
Recreation and Student Center, Room 221, Activity Room B  
Wednesday February 27, 2019, 4:00 - 6:00 pm

**Kathy Bernard, CEO, WiserU, LLC, will present: "Know How to Navigate!"**

- Overview of Gender Pay Equity in Pharmaceutical and other Medical Fields; Larger Cultural Change Issues.
- Why the gap widens over time. Learn how to create allies and build your change management skills.

**Lorie Jackson, Co-Founder/CEO Mosaic Ceiling, will present: "Know Your Worth in Your Field and How to Ask for More!"**

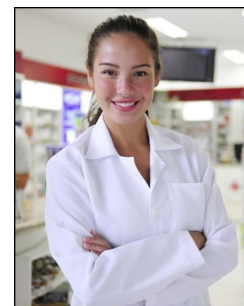

- Negotiation Skills and Overcoming Internal Barriers to Self-Advocacy – information and hands-on exercises will be presented.

Women have a **dual set of challenges** to overcome in order to achieve pay equity: **institutionalized** pay discrepancies and cultural barriers to advancement and **internalized** social messages that limit self-advocacy. In the pharmacy and medical fields, there are particular challenges. Pharmacy as a field has made advancements in equity with respect to other health care fields, but women pharmacists can still receive offers that **are typically 6-11% below** that of male colleagues **for exactly the same work**. Leadership roles are far from equally balanced, with women pharmacists still holding less than 30% of senior positions overall in the field. Other medical fields face the same, **or higher**, levels of inequity.

• This event is free, but **please register** at: [Registration Form](#)

• Parking for visitors is available upon request at registration.

## AAUW OF MISSOURI

## PUBLIC POLICY UPDATE

### Missouri Pay Legislation We Are Following:

Our current focus is on bills related to pay equity. Right now we are just monitoring, but we will let you know if there is action to be taken.

Bills we are monitoring are:

- HB145 - Ellington; Brandon - Equal Pay for Equal work"
- HB328 - Beck - Prohibits employers from inquiring about an employee or applicant's salary history information
- SB95 - Sifton - Modifies provisions relating to employee past wages being discussed when hiring.

### Remember to Take the Online Work Smart Course and Share with Others

- AAUW National has requested that all AAUW members take the one-hour web based curriculum — and then ask 20 women to do the same. The course is free, but requires registration at <https://courses.aauw.org/learn>.
- Some branches are making an event out of this. Members take the course by themselves, then have a branch meeting to review and discuss the content.

### Positive News to Share:

- The 116th US Congress is now in session with a record number of women (127), up from 110 in the previous 115th Congress. The share of women members in the 116th is 23.7 percent, up from 20.6 percent.
- Nevada, for the first time in US history, now has a female majority in its state legislature.

### Important Dates, Reminder:

- Mark your calendars for Equity Action Day in Jefferson City - Tuesday, April 16. More on this in coming weeks.
- Plan to attend the AAUW Missouri State Conference, May 4, 2019 in Columbia, MO. Plans are in the works for many Work Smart activities.
- AAUW's Two-Minute Activist (<https://www.aauw.org/what-we-do/public-policy/twominute-activist/>) makes it easy to voice your support for these issues to your legislators.

## NATIONAL

### LEGAL ADVOCACY IN ACTION: AAUW Supports Contraceptive Coverage

AAUW signed on to two amicus briefs challenging the Trump administration's contraceptive coverage rules: [Commonwealth of Pennsylvania v. Donald J. Trump, et. al.](#) in the U.S. District Court for the Eastern District of Pennsylvania, and [State of California v. Health and Human Services, et. al.](#) in U.S. District Court for the Northern District of California.

The Trump administration issued final versions of two proposed Interim Final Rules (IFRs) that rolled back the *Patient Protection and Affordable Care Act* (ACA) contraceptive mandate by exempting organizations with religious or moral objections. These exemption rules were scheduled to become effective earlier this month. Previously, California and Pennsylvania challenged the IFRs in court in order to protect women from the harms that will result from the defendants' attempt to stop the provisions of the ACA that guarantee women equal access to preventive medical care, specifically contraceptive care and services.

As an amicus, AAUW stands with other amicus organizations trying to persuade the courts that no-cost coverage of safe and reliable contraception is critical for women's professional and educational success, health, and well-being. AAUW and other amicus believe that the exemption

rules will cause irreparable harm to hundreds of thousands of women who are employed or associated with religiously-affiliated nonprofits, such as hospitals, colleges, and universities; as well as by non-profits and private non-religious employers, by denying their right to make critical life decisions.

### LEGAL ADVOCACY IN ACTION: AAUW Supports Joint Action Challenging Systemic Discrimination

AAUW signed on to an amicus brief in [Kassman v. KPMG](#) in the U.S. Court of Appeals for the Second Circuit. This important case concerns discrimination of thousands of women in their pay and promotions.

*Kassman v. KPMG* seeks to clarify the law with respect to Rule 23 class certification standards. Over time, courts have been weakening class certification standards, which then limits women's ability to pursue joint action challenging systemic discrimination.

AAUW signed on to this brief because we advocate for equitable access and advancement in employment, including vigorous enforcement of employment discrimination statutes.

## AAUW Washington Update

CEO Kim Churches (left) was honored to attend the State of the Union address on behalf of AAUW as the guest of Rep. Lois Frankel (D-FL). "It was invigorating to sit in the House chamber looking at the most diverse Congress in history with a record number of women, most dressed in suffragist white to demonstrate unity and a commitment to women's rights. The energy of the chamber, especially when talk turned to AAUW priority issues, was profound. However, the contrast between the image of the 116th Congress and some of the harmful priorities in the address was stark. It was also a reminder that we must fight to protect key AAUW issues — including reproductive rights, pay equity, strong paid leave and more."

**State Spotlight:** AAUW members in FL are working to build and maintain strong relationships with their elected representatives. Rep. Debbie Wasserman Schultz (D) [joined](#) AAUW Weston Branch on Sunday in honoring gender equity advocate Commissioner Nan Rich at their annual membership brunch. Members of AAUW Palm Beach County Branch [stood alongside](#) Rep. Lois Frankel (D) at a press event as she announced that AAUW CEO Kimberly Churches would accompany her to President Trump's State of the Union address.

## Bits and Pieces:

✦ AAUW submitted a letter in support of the *Raise the Wage Act* (H.R. 582/S. 150) in advance of the House Committee on Education and Labor's hearing. If passed, this legislation would gradually raise the minimum wage to \$15 per hour by 2024. AAUW also joined 93 economic and advocacy organizations in urging members of congress to cosponsor and support the legislation, which would particularly benefit women. Add your voice in support of raising the minimum wage [here](#).

✦ AAUW joined 130 organizations in urging the Senate Finance Committee and House Ways and Means Committee to uphold the Johnson Amendment and reject legislation that would compromise its integrity. This AAUW-supported law safeguards the independence of charitable nonprofits, foundations, and houses of worship by prohibiting them from endorsing or opposing candidates for public office.

✦ The U.S. Supreme Court temporarily blocked a Louisiana law that would have dramatically limited access to abortion in the state. Future action from the Court will determine whether the law, which is at odds with earlier Supreme Court precedent, most notably *Whole Woman's Health v. Hellerstedt*, will be allowed to stand.

✦ Sen. Ben Cardin (D-Md.) and Sen. Lisa Murkowski (R-Alaska) introduced an AAUW-supported resolution which would remove the ratification deadline to reopen consideration for the *Equal Rights Amendment* (ERA). To date, the ERA has been ratified by 37 states, just one state short of the three-fourths requirement for a Constitutional amendment.

✦ AAUW joined 48 other education and advocacy organizations this week in continuing to oppose the Department of Education's decision to rescind guidance that helped schools to address disciplinary practices that are disproportionately harming students of color and students with disabilities.

Voting in the [2019 AAUW Art Contest](#) starts on February 12, 2019. Go to <https://www.aauw.org/contests/>

Voting ends on February 26th.
